The purity of tone and excellence of quality

which characterise the LAWRIE BAGPIPES are due to the fact that craftsmen of experience who are also players of outstanding merit are engaged in their production. Thus the reason why we find that orders are increasing markedly every month.

We have been appointed Sole Agents for PREMIER PIPE BAND DRUMS (both Rope and Separate Tension) and shall be pleased to estimate for the equipping of Drum Corps with these instruments which are quite unequalled for Quality, Finish, Durability and Tone. The prices are very moderate.
